Christian Orobello had questions on how does the money flow to the school system. Janet Corbosiero said speaking for herself and not the School Committee it doesn't come in all at once. She said it comes in at different times. Mr. Orobello question how is encumbered money received. Jane Corbosiero said her understanding is it's in anticipation. She said encumbering is town money not Title 1 money. She said again that she is not speaking for the School Committee. Mr. Orobello asked how you can

encumber without money in the bank, it doesn't make sense. Robert Guenther said that is a good question for a joint meeting.

Ulysse Maillet said at our next meeting on November 10th we need to set out ground work for the budget. Janet Corbosiero said the tentative Special Town Meeting is November 23rd.

A motion was made by Ulysse Maillet to adjourn the meeting. The motion was seconded by Christian Orobello

The meeting was adjourned at 7:11p.m.
