Member Comments:

Ms. Corbosiero had some questions and concerns over the Historic Commission's budget. Mr. Bohan to invite Mr. Hickey to the next meeting for some guidance and explanation. Mr. McCronon is interested in initiating presentations of different architectural styles during Commission meetings. He feels it would enable the Commission to grow their knowledge of design and make more informed decisions when projects present themselves. Mr. McCronon to do presentations and invites others to do so as well. Mr. McCronon has had conversations with Mr. Sullivan regarding the Bee Habitat Project proposed for the meadow in Old Center. Mr. Sullivan is willing to work on a design and a proposal. Mr. Sullivan to be invited to September 2019 meeting. Mr. McCronon is interested in pursuing grant funding for this project. The Commission feels the Robinson-Broadhurst Grant would not be a good fit at this time, as other projects want to be applied for. Mr. Bohan suggested looking into other grant options. Mr. McCronon feels it would be great for class field trip and other environmental interests. Mr. McCronon also presented memo of record regarding his conversation with Mr. Sullivan.
