NOTES:

1. All fees are due at time of permit issue.
2. Permits are granted only after all laws, rules & regulations are met.
3. Failure to meet requirements as part of permit may result in revocation.
4. Paid fire details will be determined by the Chief at the time the permit is issued.
5. The Fire Chief or designee may place additional requirements on permits at time of application or at any time permit is active to ensure public safety.
6. The enclosed comments and notes are for assisting the administration in obtaining fees and regulating permits. The actual laws, rules & regulations are subject to change and take precedence over this document.
7. Fees may be waived for work performed on government or municipal buildings.
