**TOWN OF WINCHENDON
SPECIAL TOWN MEETING
May 12, 2014**

Worcester, ss:

To either of the Constables in the Town of Winchendon, in the County of Worcester,

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Winchendon qualified to vote in town elections and town affairs to meet at the MURDOCK MIDDLE/HIGH SCHOOL, 3 Memorial Drive, off Elmwood Road in said Winchendon on

**MONDAY, MAY 12, 2014
AT 7:15 P.M.**

then and there to act on the following articles:

At 7:15 p.m. the Annual Town Meeting was recessed for the Special Town Meeting. It was voted (unanimously) to continue with the Annual Town meeting.

At 9:19 p.m it was moved and seconded and unanimously approved to open the Special Town Meeting.

**REPORTS AND COMMITTEES
(majority vote required)**

ARTICLE 1

Committee Reports

To see if the Town will vote to hear and act on the reports of the Finance Committee, or act in relation thereto. (usual and customary article)

BOARD OF SELECTMEN: 5-0 Recommend FINANCE COMMITTEE: 6-0 Recommend

VOTED: (unanimously) to pass over this article.

ARTICLE 2:

To see if the Town will vote to raise and appropriate the sum of \$300,000.00, in addition to the amount appropriated under FY15 Net School Spending Article of the 2014 Annual Town Meeting, to supplement the operating budget for the school department for the fiscal year beginning July 1, 2014, provided that this supplemental appropriation shall be contingent on the passage of a proposition 2 and ½ override vote. (submitted by the Selectboard, School Committee and Town Manager)

BOARD OF SELECTMEN: 3-2 Recommend FINANCE COMMITTEE: 6-0 Recommend

VOTED: (two-thirds) to approve the article as amended by removing the word NET before School Spending.

You are hereby directed to serve this warrant by posting attested copies thereof at the several places designated by the bylaws of the town of Winchendon seven days at least before the time of holding such meeting and by mailing a copy of this warrant to each household in Winchendon in which a registered voter resides or by publication of the same in a newspaper of local distribution as required by said bylaws.

Hereof, fail not and make due return of said warrant with your doings thereon at the time and place of the meeting aforesaid. Given under our hands and seal this 28th day of April 2014.

AT 9:30 P.M. It was moved, seconded and unanimously approved to adjourn the Special Town Meeting and continue with the Annual Town Meeting.

BOARD OF SELECTMEN:

Robert M. O'Keefe, Chair

Elizabeth R. Hunt, Vice Chair

C. Jackson Blair

USUAL AND CUSTOMARY GENERAL GOVERNMENT BUDGET ARTICLE **(majority vote required)**

ARTICLE 8

To see if the Town will vote to raise and appropriate and transfer from other available funds* the sum of \$9,508,894 for the operating budget of the Town for the fiscal year beginning July 1, 2014, or act in relation thereto. (usual and customary article)

BOARD OF SELECTMEN: 5-0

FINANCE COMMITTEE: 6-0 Recommend

*Other Available Funds:

Cemetery Trust	\$ 3,000.00
Dog Fees	\$ 15,000.00
Title V Liens Redemption	\$ 7,810.00
Infrastructure Fund	\$ 85,000.00
	\$ 110,810.00

As has been practice, the format of the Fiscal Year 2015 budget that follows depicts the proposed expenditures for the various major components and then the total of the General Government budget. They are as follows:

1. Administration, Finance and Benefits
2. Regulatory Boards, Commissions and Departments
3. Public Safety
4. Public Works
5. Human Services
6. Debt Service
7. Regional Expenses

8. Total FY15 General Government Budget

The total for each component, numbers 1-8, appears in the budget in numbered and gray shaded lines.

Additional detailed information depicting the subcomponents within each major component also appears in the following budget. These subcomponent budget numbers provide a more detailed look into what makes up the expenditure of each major component. These numbers appear without shading, with asterisks (*) and are for informational purposes only.

The “Total FY 15 General Government Budget”, as identified as #8, is the budget number before you for your consideration and vote.

GENERAL BYLAW ARTICLES (majority vote required)

ARTICLE 34

To see if the Town will vote to amend General Bylaw Article 17 by deleting section 17.2, C. (3) and to adopt a new General Bylaw to be numbered # ____.

Regulations for the Removal and Disposal of Canine Waste (Pooper-Scooper Law)

SECTION 1 – AUTHORITY

1. These regulations are made pursuant to Chapter III of Massachusetts General Law MGL), Section 31, to protect the public health of the residents of Winchendon.

2. Evidence demonstrates that canine waste can cause serious health problems.

SECTION 2 – REMOVAL AND DISPOSAL OF CANINE WASTE

A. Removal/Disposal

It shall be the duty of each person who owns, possesses or controls a dog to remove and dispose of any feces left by his/her dog on any sidewalk, gutter, street, park or other public area, or on any private property neither owned nor occupied by said person. No person who owns, possesses or controls such dog shall appear with such dog on any sidewalk, gutter, street, park or other public area, or on any private property neither owned nor occupied by said person, without the means of removal of any feces left by such dog. For the purpose of this section, the means of removal shall be by any tool, implement or other device carried for the purpose of picking up or containing such feces in a manner that such feces shall be unexposed to said person in public. Disposal shall be accomplished by transporting such feces to a suitable place.

B. Penalties

Any person who violates or permits a violation of this CHAPTER shall be subject to a fine of FIFTY (\$50.00) DOLLARS to be assessed for each and every violation. All fines shall be payable to the Town of Winchendon through the Town Clerk's office. The Chief of Police may, as an alternative to initiating criminal proceedings, treat violations of this chapter in a non-criminal manner pursuant to the provision of MGL CH 40, sec 21D.

C. Authorized Enforcement Personnel

The following persons shall be authorized enforcement: Police officer, Animal Control Officer or Board of Health Agent, or act in relation thereto. (submitted by the Board of Health)

BOARD OF SELECTMEN: No Recommendation FINANCE COMMITTEE: 6-0 Recommend

VOTED: (two-thirds) to approve the article as printed.

ARTICLE 35

To see if the Town will vote to adopt a new general bylaw to be numbered ____:

FUEL STORAGE SYSTEM REGULATION

Whereas, leaking fuel storage systems pose an immediate and serious threat to ground water, public and private wells, and,

Whereas, the Town of Winchendon does not have records to locate all such systems installed within the Town,

Therefore, under Chapter 111, Section 31, of the Massachusetts General Laws, the Town of Winchendon hereby adopts the following bylaw to protect the ground and surface waters from contamination with liquid toxic or hazardous materials.

DEFINITION: "Toxic or hazardous materials" shall be defined as all liquid hydrocarbon products including, but not limited to, gasoline, fuel and diesel oil, and any other toxic or corrosive chemicals, radioactive materials or other substance controlled as being toxic or hazardous by the Division of Hazardous Waste of the Commonwealth of Massachusetts, under the provisions of Massachusetts General Laws, Chapter 21C, Section 1, et. Seq.

The following regulations apply to all toxic or hazardous materials storage:

Section 1., Installation of Fuel Storage Tanks

1-1. Following the effective date of this regulation, the installation of all underground fuel, gasoline, or other chemical storage tanks shall conform with the following criteria: In that the United States Environmental Protection Agency designated the Town of Winchendon as overlying a sole source aquifer, secondary containment of tank and piping and an approved in-tank and interstitial space monitoring system shall be required for new or replacement tanks.

1-2. Following the effective date of this regulation, all tanks installed above ground outside shall be of material approved for outside use. All tanks shall be properly installed as per Massachusetts Fire Regulations and manufacturer's specifications, under the direction of the head of the Fire Department. Tanks shall be approved design and protected from internal and external corrosion. The following tank construction systems are considered to provide adequate corrosion protection: all fiberglass construction; steel with bonded fiberglass or enamel coating and internal lining; and the Steel Tank Institute 3-Way Protection System. Any other system must be shown to provide equivalent protection.

1-3. All tank installations within four feet of maximum high water table or within one hundred feet of a surface water body or wetland shall be of fiberglass construction. The Fire Chief and the Board of Health Shall determine if additional protective measures are necessary.

1-4. Underground storage tanks shall not be installed within Water Resource Districts or Zones of Contributions of Public Water Supply Wells or within 150 feet of a private well.

Section 2., Tank Registration

The following regulations shall apply to A) all underground tanks containing toxic or hazardous materials as defined above which are not currently regulated under 527 CMR 9.26 – Tanks and Containers, to B) all tanks containing fuel oil, whose contents are used exclusively for consumption on the premises, and to C) farm and residential tanks of 1,100 gallon capacity or less, used for storing motor fuel for non-commercial purposes.

2-1. Owners shall file with the Board of Health, within 30 days of the date of publishing of this regulation, the size and type, age and location of each tank, and the type of fuel or chemical stored in them. Evidence of date of purchase and installation, including Fire Department permit, if any, shall be included along with a sketch map showing the location of such tanks on the property. Upon registering the tank with the Board of Health, the tank owner will receive a permanent metal or plastic tag, embossed with a registration number unique to that tank. This registration tag must be affixed to the fill pipe or in such a location as to be visible to any distributor when filling the tank and to any inspector authorized by the Town.

2-2. Within 30 days of the date of the publishing of this regulation, every petroleum and other chemical distributor, when filling an underground storage tank, shall note on the invoice or bill for the product delivered, the registration number appearing on the tag affixed to the tank which was filled. Every petroleum and other chemical distributor shall notify the Board of Health of the existence and location of any unregistered or untagged tank which they are requested to fill. Such notification must be completed within two (2) working days of the time the distributor discovers that the tank registration tag is not present.

2-3. Prior to the sale of a property containing an underground storage tank, the Fire Department must receive from the current owner a change of ownership form for the registration of the underground storage tank. Such form can be obtained from the Fire Department.

Section 3., Testing

3-1. The tank owner shall have each tank and its piping tested for tightness fifteen and twenty years after installation and annually thereafter. A tank shall be tested for any final or precision test, not involving air pressure, that can accurately detect a leak of 0.05 gal/hr, after adjustment for relevant variables, such as temperature change and tank end deflection, or by any other testing system approved by the Board of Health, as providing equivalent safety and effectiveness. Piping shall be tested hydrostatically to 150 percent of the maximum anticipated pressure of the system. Certification of the testing shall be submitted to the Board of Health by the owner, at the owner's expense. Those tanks subject to the testing requirements of this regulation shall submit the certification of testing to the Board. Tanks which are currently tested under the provisions of 527 CMR 9.13 are exempt from this section. For purposes of this section, tanks of unknown age are assumed to be twenty (20) years of age. All tanks and piping within water resource protection districts or zones of contribution of public water supply wells shall be subject to the above testing procedure ten (10) years after installation and annually thereafter. Certification of testing shall be submitted to the Board of Health by the owner, at the owner's expense.

3-2. Owners of tanks for which evidence of installation date is not available shall, at the order of the Board of Health, have such tanks tested or uncovered for inspection. If, in the opinion of the agent of the Board of Health or head of the Fire Department, the tank is not product tight, it shall be removed.

3-3. Owners of all commercial subsurface fuel storage facilities shall submit quarterly to the Board of Health a statement certifying that daily inventory records have been maintained and reconciled.

Section 4., Maintenance of Fuel Storage System

4-1. All underground fuel lines which do not have secondary containment shall be replaced with an approved double-containment system at which time any service to the system requiring a permit is performed.

4-2. All above-ground elements of a fuel storage system shall be maintained free of leaks and visible rust.

4-3. All in-tank or interstitial-space monitoring systems shall be checked on a monthly basis to verify system integrity. Records of these checks shall be sent to the Board of Health on an annual basis.

Section 5., Report of Leaks or Spills

5-1. Any person who is aware of a spill, loss of product, or unaccounted for increase in consumption which may indicate a leak shall report such spill, loss or increase immediately to the head of the Fire Department and to the Board of Health.

5-2. All leaking tanks must be emptied within 12 hours of leak detection, and removed in a time period to be determined by the Fire Chief and the Board of Health.

5-3. All tanks shall be removed or secured as per Fire Department specifications at the owner's expense within six months following discontinuation of use.

Section 6., Tank Removal

6-1. All fuel, gasoline or other chemical tanks not regulated under 527 CMR 9.00 (farm or residential tanks of 1,100 gallons or less and underground tanks storing fuel for consumptive use at the property) in service on the effective date of this regulation, shall be removed twenty-one (21) years after the date of installation. If the date

of installation is unknown, the tank shall be assumed to be twenty (20) years old. All underground storage tanks currently subject to the removal regulation (21 years or older) must be removed within 90 days of the date the publishing of this regulation.

6-2. Prior to the removal of an underground storage tank governed by this regulation, the owner of shall first obtain permit from the head of the Fire Department, pursuant to M.G.L., 148.

6-3. Any person granted a permit by the Marshall or the head of a local Fire Department to remove a tank under the provisions of M.G.L., C. 148 or 527 CMR 9.00, shall within 72 hours provide the permit granting authority with a receipt for delivery of said tank to the site designated on the permit.

6-4. Before any person is granted a permit by the Marshall or the head of a local Fire Department to remove a tank under the provisions of M.G.L., C. 148 or 527 CMR 9.00, and said tank is not being transported to an approved tank yard, the person requesting the permit shall provide the permit-granting authority with written approval from the owner/manager of the disposal site. (Reference: 502 CMR 3.00 for tank removal and disposal procedure).

Section 7.0., Costs

7-1. In every case, the owner shall assume responsibility for costs incurred necessary to comply with this regulation.

Section 8.0., Variances

8-1. Variances from this regulation may be granted by the Board of Health after a hearing at which the applicant establishes the following: (1) the enforcement thereof would do manifest injustice; and (2) installation or use of an underground storage tank will not adversely affect public or private water resources. In granting a variance, the Board will take into consideration the direction of the groundwater flow, soil conditions, depth to groundwater, size, shape and slope of the lot, and existing and known future water supplies.

Section 9.0., Severability

9-1. Provisions of this regulation are severable and if any provision hereof shall be held invalid under any circumstances, such invalidity shall not affect any other provisions or circumstances.

* A failure to comply with any element of this regulation will result in the levy of a fine of \$50.00. Each 24-hour period of non-compliance shall constitute a separate offense. (submitted by the Town Manager)

BOARD OF SELECTMEN: 3-2 Not Recommend FINANCE COMMITTEE: 5-0-1 Not Recommend

VOTED: (two-thirds) to approve the article with the following amendments:

Delete - Section 3 –Testing

Delete- Section 4 – Maintenance of Fuel Storage System

Change –in Section 6 – Tank Removal -6.1 change removal regulation from 90 days to two (2) years.

It was moved, seconded and unanimously approved to adjourn the meeting at 10:43 p.m.

Attest:

Judy A. Ruschioni

Judy A. Ruschioni/Town Clerk

You are hereby directed to serve this warrant by posting attested copies thereof at the several places designated by the bylaws of the town of Winchendon seven days at least before the time of holding such meeting and by mailing a copy of this warrant to each household in Winchendon in which a registered voter resides or by publication of the same in a newspaper of local distribution as required by said bylaws.

Hereof, fail not and make due return of said warrant with your doings thereon at the time and place of the meeting aforesaid. Given under our hands and seal this 28th day of April 2014.
