

Minutes of April 7, 2014 Meeting of the Toy Town Partnership

In attendance: Cindy Boucher, Lee Cloutier, Elaine Mroz, Peter Newton. Also in attendance, Gerry White, Tracy Murphy. The meeting was called to order at 4:00 pm. The March minutes were read and accepted.

Kiosk Tracy Murphy presented a new draft map. She will contact Lee Cloutier after it has been printed. Lee has agreed to clean the soot from the kiosk and mount the new map.

Converse Garden Gerry White was present to discuss the recent acquisition of 136 River Street. We reviewed a draft press release intended to spark community support. Gerry mentioned that an old sewer line ruptured on the site. It is not clear where the funds will come from to repair it. He believes he will be able to get donations of material to help fill the pits in the parking area, and that the DPW will be willing to do some basic site improvement work.

Bicycle Trail

MassDOT has confirmed our engineers conclusion about the hydraulic study. Although they have give their approval to more on, they have now changed the scope of work and the engineers have proceeded without approval. It is apparent that the project is being stalled for some reason. Cindy and Gerry will prepare a packet to educate Stephen Brewer about the issues and see if he can resolve it.

Meeting adjourned at 5:20 p.m. Next meeting Monday May 5 at 4:00pm at Town Hall Auditorium.
