1. Equipment for Park maintenance

Motion was made and **approved:** to Transfer the appropriate amounts of money from two Robinson-Broadhurst Funds 2812316 and 30630100 to cover the cost to purchase equipment for the Winchendon Community Park. Total cost will be based on quotes received for requested equipment and as noted in a letter to the Robinson-Broadhurst Foundation.

Discussion:

Equipment purchase requires the approval of the Town Manager and the Head of the DPW, Al Gallant. Al requested that the mower, bag and blower be John Deere, equipment his personnel can repair. Al is getting a quote for the equipment from the supplier used by the town.

Use of the Park/Town owned chain saw will require participation in an 8 hour training session, a Town liability requirement.
