New Business

In order to develop a clear scope of possible services, the Subcommittee did the following:

1. Reviewed a draft scope of service compiled by Ken LaBrack.
2. Walked the park property in the vicinity of the house to identify options for building placement
3. Walked through the house so that all subcommittee members would have a shared sense of the condition of the building.

Adjourned 2:40 p.m.

Approved: June 26, 2019
