1. The committee heard from Jill Sackett about the Winchendon Wind's interest in the amphitheater development and questions that the conductors had after viewing the November 9 BOS presentation and minutes. They are particularly interested in acoustics and access. Jill offered to outline and send questions by the end of the week that the committee could forward to the architect. She then left the zoom meeting.
2. Review of the proposed Owner's Project Manager contract for the next phase of work. The committee discussed work done to date, overall questions we have, and how to prepare to review the contract. We agreed to post a follow up meeting for later in the week, December 3, 2020 at 9:30 a.m.
