

Winchendon Historical Commission meeting

Date: 6/14/17

Members present: Peggy Corbosiero, member, (acting chair); <sup>Lais above</sup> Yvonne Harrington, member; Jay McCrohon, member; David Plummer, alternate member.

Meeting called to order at 6:06 PM by Peggy Corbosiero.

Pledge of Allegiance by all.

No minutes of past meetings available.

Public attendance: Byron Beauregard, Elizabeth Beauregard and others interested in topic.

<sup>Christopher Meyershoff</sup> Brad Carmody of Trinity Solar Co. To speak on contract and potential vision of solar panels on 80 Old Centre residence.

Presentation heard by members present. Questions about overall effect of view from common and precedence in place now exist. Discussion continued to next meeting so that time to review prior solar allowances and more familiarity with presence of panels. General feeling was positive for effort toward ecologically beneficial sources of energy and encouragement of such progress in Historical districts as long as not destroying historical effects. Applicants were in total agreement of intent.

No further new business raised by members.

Meeting was adjourned at 6:37 PM.

Respectfully submitted:

Yvonne G. Harrington, Member

Acting recorder.

Minutes Approved: 1/1/2017

Yvonne G. Harrington  
Peggy Ann Corbosiero  
Lais A. Abreu
