Public Comments:

Ms. Keefe is present to give an update to the deleading of 179 Front Street. She had a court date today and was able to secure an extension for the project. There is still an issue with financing. Ms. Keefe is eligible for the \$30,000 grant, but it will not be awarded until the additional \$140,000 is secured. Ms. Keefe also indicated the state may try and take her home through receivorship, fix it, and sell it for a profit. The Commission advised her to reach out to local news channels, Rep. John Zlotnik, Senator Elizabeth Warren, and legal aid. The Commission is concerned that Ms. Keefe and her family may be pushed into a homeless situation. A special meeting can be set up prior to September 11, 2024 if need be.

Member Comments:

Mr. McCrohon has sent out information regarding establishing a new Historic District, and guidelines for landscping. Ms. Sroczynski forwarded information to members and it will be discussed at next month's meeting.
