To see if the Town will vote to assign the fiscal responsibility of the new water pipe, to those, who solely rely on these public services. Residents who have wells and septic systems, pay to maintain those independently, and should not be given the extra financial burden, of paying for a similar service, that will not directly benefit them. In addition, these residents also financially contribute, to the town's shared community spaces. Lastly, securing additional grants, and ensuring a fiscally responsible contract with Ashburnham, will be helpful in reducing our residents final cost.

## **Resolution in Support of Changing the Commonwealth Flag and Seal of Massachusetts**

**Whereas** the history of the Commonwealth of Massachusetts is replete with instances of conflict between the European Colonists and the Native Nations of the region, who first extended the hand of friendship to the Colonists on their shores in 1620, and helped them to survive starvation during the settlers' first winters on their land;

**Whereas** members of the Native Nation for whom the Commonwealth of Massachusetts is named were ambushed and killed by Myles Standish, first commander of the Plymouth Colony at Wessagusett (now Weymouth) in April of 1623, barely two years after the Pilgrims arrived;

**Whereas** the Colonial broadsword held by a white hand above the head of the indigenous person on the Massachusetts Flag and Seal is modeled after Myles Standish's own broadsword, borrowed for that purpose from the Pilgrim Hall in Plymouth by the illustrator Edmund Garrett in 1884;

**Whereas** the belt binding the Native's cloak on the Flag and Seal is modeled after a belt worn by Metacomet, known to the English as King Philip, who was among the Indigenous leaders that resorted to a mutually destructive war in 1675-76 in defense of Native lands against Colonial encroachment;

**Whereas** the proportions of the body of the Indigenous person on the Flag and Seal were taken from the skeleton of an Indigenous person unearthed in Winthrop, the bow modeled after a bow taken from an Indigenous man shot and killed by a colonist in Sudbury in 1665, and the facial features taken from a photograph of an Ojibwe chief from Great Falls, Montana, considered by the illustrator to be a "fine specimen of an Indian," though not from Massachusetts.

**Whereas** the history of relations between Massachusetts since Colonial times and the Native Nations who continue to live within the borders includes the forced internment of thousands of so-called "praying Indians" on Deer Island, in Boston Harbor, where they died by the hundreds of exposure in the winter of 1675, the enslavement of Indigenous people in Boston, Bermuda, and the Caribbean Islands, the offering of 40 pounds sterling as bounty for the scalps of Indigenous men, women and children in Massachusetts beginning in 1686, increased to 100 pounds sterling for the scalps of Indigenous adult males by 1722, half that amount for Indigenous women and children.

**Whereas** Indigenous people were legally prohibited from even stepping foot into Boston from 1675 until 2004, when that Colonial law was finally repealed;

**Whereas** the 400<sup>th</sup> anniversary of the landing of the Colonists at Plymouth Plantation, which gave rise to the long chain of genocidal wars and deliberate government policies of cultural destruction against Native Nations of this continent, occurred in the year 2020, affording every citizen of the Commonwealth a chance to reflect upon this history and come to an appreciation of the need for better relations between the descendants of the Colonial immigrants and the Native Nations of the Commonwealth;

**Whereas** the land area now known as the Town of Winchendon, shares a rich Native history with modern tribal Nations such as the Nipmuc, the Penacook, and the Abenaki, who inhabited this area long before the first colonial settlers arrived, in 1753;

Now, therefore, **BE IT RESOLVED** that the Town of Winchendon hereby adopts this resolution in support of work of the Official Seal and Motto of the Commonwealth, established by a Resolve of the General Court in 2021 and appointed by the Governor to recommend changes to the current flag and seal of Massachusetts, and in

**support of a new flag and seal for the Commonwealth** that may better reflect our aspirations for harmonious and respectful relations between all people who now call Massachusetts home. The town clerk shall forward a copy of this resolution to Sen. Nick Collins and Rep. Antonio Cabral, co-chairs of the Joint Commission on State Administration, and to Sen. Jo Comerford, Rep. Jonathan Zlotnik and Rep. Susannah Whipps, with the request that they strongly support for the work of the aforementioned Special Commission and advocate for a new flag and seal for the Commonwealth.
