Section 2: Neither the town nor the union will aid, promote, or finance any other labor group or organization which purports to engage in collective bargaining, or make any agreement with any other labor group for the purpose of undermining the union.

Section 3: The union recognizes the town as a public body established under and with powers provided by the statutes of the Commonwealth of Massachusetts, and nothing in this agreement shall be deemed to derogate from or impair any power, right, or duty conferred upon the town by statute or any rule or regulation of any agency of the commonwealth.

Section 4: If any new positions are created by the Employer, the new positions will be bargained with the Union to determine if they should be added/included to the bargaining unit. If the Employer and Union agree then the new position will be added to the bargaining unit and the wages will be negotiated by the parties.

MANAGEMENT RIGHTS

Except to the extent that there is contained in this agreement an express and specific provision to the contrary, the town retains, whether exercised or not, all of the authority, power, rights, jurisdiction, and responsibility provided by the laws of the Commonwealth of Massachusetts to such town for the control, direction and management of the town and its workforce, including, but not limited to: the right to manage the affairs of the town and of the department and maintain and improve the efficiency of its operations; to determine and schedule hours of duty consistent with the statutes, by laws and collective bargaining agreement of the town and the assignment of the bargaining unit employees to realize the efficient utilization of his/her service; to hire, promote, assign, and retain bargaining unit employees; to contract and sub-contract for services; and to promulgate and support rules and regulations pertaining to the operations of the departments covered by this collective bargaining agreement and to the bargaining unit employees.

Nothing in this agreement shall limit the town in the exercise of its functions of management and in the direction and the supervision of the town business. except where any such rights are specifically modified or abridged by terms of this agreement.

Unless an express, specific provision to this agreement clearly provides otherwise, the town, acting through its Town Manager or other appropriate officials as may be authorized to act on their behalf, retains all the rights and prerogatives it had prior to the signing of this agreement either by law, custom, practice, usage or precedent to manage and control the offices of the town. Management rights shall be exercised without said actions being subject to the grievance and arbitration clause of this contract.

ARTICLE II

Section 2: Should any article, section, or portion thereof, of this Agreement be held unlawful and unenforceable by any court of competent jurisdiction, such decision of the court shall apply only to the specific article, section, or portion thereof directly specified in the decision; upon the issuance of such a decision, the parties agree immediately to negotiate a substitute for the invalidated article, section or portion thereof.

Section 5: If the case reaches arbitration, the arbitrator shall have the power to direct a resolution of the grievance up to and including restoration to the job with all loss of earnings and privileges that would have been due the employee. OVERTIME

Section 1: Employees covered by this Agreement shall be paid overtime at the rate of 1½ times their regular straight-time hourly rate of pay for authorized time worked in excess of eight (8) hours in a day or forty (40) hours in a work week. Full time dispatchers will have the option to accrue compensatory time at 1½ times in lieu of pay for overtime. Full time dispatchers agree compensatory time can only be used if the shift is being filled by a per diem employee. The union will allow the Town to offer the overtime to cover a dispatcher using compensatory time to per diem employees first.

Section 2: Should employees be recalled to work after the regularly scheduled shift has ended or before the start of the next regular scheduled shift, or while on standby, and should there be insufficient work to retain employees for three (3) hours, they will be paid 1½ times their straight-time hourly rate and be guaranteed a minimum of three (3) hours. A dispatcher recalled to perform the function of a matron shall be paid 1½ times the entry- level patrol officer position or 1½ times his/her rate, whichever is greater, and be guaranteed a minimum of three (3) hours. If a dispatcher has to assist in escorting a prisoner to another town, the dispatcher will receive time and one half the entry level officer's position.

Section 3: Overtime shall be voluntary and employees shall not be penalized for refusing to work overtime. Overtime shall be distributed equitably on a rotating basis among all employees covered in this agreement. The town, union, and employees agree to cooperate in the matter of overtime.

Section 4: Should temporary employees be utilized on an emergency basis, the temporary employees will be relieved of work on a daily basis at the same time as and not later than the regular employees are relieved on a daily basis. (It is the mutual intent of the town and the union that temporary help will not be used in overtime work in any way to take overtime away from regular employees, except in cases of extreme emergency or contract work that is for one or more reasons beyond the physical capabilities of the regular employees to execute. Decisions as to when a situation shall be termed an "extreme emergency" and "contract work" shall be made by the town). "Extreme emergency" shall be deemed to mean a state of emergency called by the federal government, the Governor of Massachusetts, the Board of Selectmen, or the Town Manager. This may include, but not be limited to, severe weather conditions, major power outages, medical or fire emergencies, riots, or natural disasters.

Section 5: Should there be discrepancies among employees, the town will be given until the next pay period to remedy the discrepancies within reason before the subject of equal and impartial distribution of overtime is made a matter of grievance and arbitration.

Town _____ Union _____

Section 6: In the event of an emergency, as determined by the town, additional dispatchers shall be called by the normal rotating list method, except that refusal to work shall only be allowed after the town approves the reason for not accepting the overtime.

Section 7: If an employee is not relieved from duty he/she shall stay over until relieved but in no case shall a dispatcher work more than sixteen consecutive hours unless in the case of an emergency as determined by the Chief or unless by agreement by the Chief and the employee. Any employee forced to stay over shall be compensated at the double-time rate of pay but only if the shift is first attempted to be filled via the overtime article.

Section 6: The amount of an employee's vacation pay shall be equal to the number of hours worked in a regular work week multiplied by the employee's straight time hourly rate multiplied by the number of weeks to which he is entitled.

Section 7: Vacation leave for eligible employees shall accrue monthly.

Section 8: The vacation schedule shall conform to the requirements of the town and all vacations are subject to the approval of the town. The number of employees who may take time off for vacation at any one time shall be subject to the needs of the town.

Section 9: Vacation periods shall be selected annually and shall be granted on the basis of seniority. The town shall not be required to grant the same vacation period to two or more employees. Subject to the needs, requirements and proper functioning of the town, the town will be guided by the following policies:

- (a) Two (2) weeks of vacation shall be granted during the period June 1 to September 15 to as many employees as can be permitted to take time off during said period and still maintain appropriate town services.
- (b) Seniority by date of appointment to the bargaining unit shall determine priority in the selection and allocation of time off for vacation.
- (c) If an employee, because of illness or accident, is unable to begin his vacation when scheduled, the employee shall notify the department in advance of the date when the vacation is to begin, and if this is not possible, the employee shall notify the department as soon thereafter as possible as to his inability to have started his vacation as scheduled, and under these circumstances, the employee will not be charged with vacation time.

Section 12: Employees terminated without having been granted the vacation to which they are entitled under this Article shall be paid an amount in lieu of such vacation.

ARTICLE XIV

SICK LEAVE

Section 1: Employees after three months of employment in the bargaining unit shall be credited with sick leave at the rate of one day per month for a total of twelve (12) days per calendar year, the same to be cumulative, provided however that the town may require an employee to present a doctor's certificate if the employee is absent on sick leave for four days or more, or if, in the sole discretion of the supervisor, the employee's pattern of sick leave use warrants submission of a doctor's certificate. Notification of illness must be made as early as possible, but no later than the time of reporting to work on the first day of illness, whether to the immediate supervisor or to the Town Manager. Employees will be allowed to use sick time for their personal medical appointments, medical procedures, and any time needed after the medical procedure.

Section 2: Sick leave shall be granted for sickness or injury in the immediate family if a doctor's certificate is provided certifying to the illness or injury. Such time shall be deducted from sick leave.

Section 3: Any employee hired after July 1, 2014 shall receive no sick leave buyback upon separation of employment unless said employee is transferring into their bargaining unit from another general government bargaining unit under which he/she enjoyed such a benefit. In no case, however, shall any such transferring employee receive a sick leave buyback benefit greater than the benefit realized by employees of this bargaining unit that have been hired before July 1, 2014.

An employee hired prior to July 1, 2014 with at least five years of service to the town, upon retirement, or death shall be entitled to a lump sum payment for unused sick leave. Payment for unused sick leave for an employee who retires or dies while employed shall be computed by multiplying 40% of the employee's unused accumulated sick leave times the employee's daily rate of pay, up to a maximum of sixty (60) days. In the event of retirement, notice shall be given ninety days prior to the effective date of retirement. If notice is not given prior to the end of one fiscal year that retirement shall occur in the next fiscal year, the town may delay payment of the lump sum until the fiscal year following the fiscal year in which the employee retired.

Section 4: If an employee is directed to obtain a physical examination to return to work, the fee for such examination shall be paid by the town, and the examination shall be conducted by a physician appointed by the town.

Section 5: If an employee is injured at work for which compensation under M.G.L. c. 152, is granted, accumulated sick leave may, at the option of the employee, be used to make up the difference between employee's full pay and the amount of worker's compensation. An employee shall make the town whole for any sick leave in excess of this difference. Claims made under MGL are not subject to the grievance and arbitration clause of this contract.

Section 6: Employees in the service of the Town for one year or more shall be granted three days of personal business leave each year. This leave shall not be taken from sick leave and shall not accumulate as personal time. Unused personal days shall be converted to and accumulate as sick leave at the end of the fiscal year. In the first year of service employees hired between July 1 and December 31 will be granted one day under the same conditions.

Section 2: Employees requesting leave pursuant to this policy must notify the town at least two (2) weeks prior to the anticipated leave.

Section 3: Employees on parental leave may use any accrued vacation, personal or compensatory leave while on such leave. Use of accrued sick leave may be taken during the period of pregnancy related disability.

Section 4: Upon the exhaustion of leave taken under this policy, employees shall be restored to their former or similar position.

ARTICLE XVIII

OTHER LEAVES OF ABSENCE

Section 1: Leaves of absence, other than FMLA or parental Leaves, may be granted by the Town Manager, but shall be without compensation. Leaves of absence of over six (6) months' duration shall be considered a break in employment and upon return to work the employee shall have the status of a new employee, unless an extension of leave beyond six months has been authorized by the Town Manager in advance. Employees shall not accrue paid leave while out on an unpaid leave of absence.

Section 2: Small Necessities Leave Act: As provided in Massachusetts General Laws, Chapter 149, section 52D, eligible employees may be entitled to unpaid leave of up to 24 hours per year for participation in certain school activities of a son or daughter; to accompany a son or daughter to routine medical or dental appointments; or to accompany an elderly relative to appointments for routine medical, dental or other professional services. ARTICLE XXI

HEALTH AND WELFARE

21.1 The Town agrees to provide group health insurance for all employees working twenty (20) hours per week or more to eligible employees. The health insurance plans offered and the corresponding cost sharing is outlined below:

60%/40% Split

The Town will contribute sixty (60%) of the premium or cost for the following preferred provider (PPO), indemnity, and HMO plans and the subscriber shall contribute forty percent (40%):

65%/35% Split

The Town will contribute sixty-five (65%) of the premium or cost for the following health maintenance organization (HMO) plans and the subscriber shall contribute thirty-five percent (35%):

All retired Dispatchers are eligible to continue coverage under the Town's group life insurance plan for the maximum allowable benefit, as well as the appropriate health insurance program, provided the premium is paid by the retiree to the Town in advance of the due date.

21.2 The Town and the Union agree that if any portion of the parties' negotiated health insurance plan will not be in compliance with any provisions of the ACA, as it may be amended, during a current or the following plan year, parties shall also follow the procedure below:

- a. It is agreed that the Town or Union may immediately reopen this Agreement solely for the purpose of negotiating any changes in the health insurance plan that may be necessary to avoid the application of the Cadillac Tax and/or to stay below the cost thresholds detailed above to the Town or any plan administrator, insurer, risk pool or plan participant, or to assure that the plan is legally compliant. An initial bargaining session shall be held within ten (10) business days of a request to reopen, unless another schedule is agreed to by the parties. The Town shall assist the Union in obtaining plan design and pricing information from insurance providers.
- b. If within ninety (90) days of either party's request to reopen this Agreement, the parties are unable to agree on changes in the health insurance plan necessary to avoid the Cadillac Tax and/or achieve legal compliance, then the issue shall be submitted to expedite binding interest arbitration. The interest arbitration shall proceed as follows:
 1. The parties agree that the special nature of this issue may require an arbitrator with specific knowledge of the ACA; therefore, the parties will make every effort to mutually agree on an arbitrator with such specialized knowledge. If the parties cannot agree upon an arbitrator, an arbitrator shall be selected using the procedures described by the American Arbitration Association.
 2. The interest arbitration hearing shall be held no later than thirty (30) days after either party declares that the reopened negotiations on health insurance are at impasse, unless otherwise agreed to by the parties.
 3. The Town and the Union shall each submit to the selected arbitrator a proposal for modifying the negotiated health insurance. The Town and the Union shall exchange their proposals not less than ten (10) days prior to the arbitration hearing.
 4. The arbitrator shall be empowered to select either the Town's proposal or the Union's proposal ("final offer" arbitration) and is expressly not empowered to fashion his or her own modifications to the negotiated health insurance plan.

 - i. That the modification avoids the application of the Cadillac Tax and/or sufficiently reduces premium and HSA contribution to remain below stated

thresholds to the Town or any plan administrator, insurer, risk pool or plan participant, that provides or participates in the health insurance benefits, and/or assures that the plan is legally compliant:

- ii. That the modification does not increase the employee percentage contribution to health insurance premiums;
 - iii. That the modification does not make material alterations in the scope of coverage. "Material alterations" shall not include changes in office co-pays, deductibles, or prescription drug plans.
6. Considering the factors described in paragraphs 5(i)-(iii), the arbitrator shall select, as between the Town and Union proposals, the alternative that achieves the necessary result while differing the least from the negotiated health insurance benefit.
 7. Nothing herein shall be construed as requiring the Town or the Union to submit any other dispute that may arise between them to interest arbitration.
 8. Notwithstanding the language of Article 22, should this Agreement expire without a successor Agreement approved by the parties, this article and the process described herein, shall remain in effect until a successor Agreement is reached.

II. APPLICATION

This Policy applies to all employees of the Town]. Employees whose employment is governed by a collective bargaining agreement are subject only to those provisions of this Policy not specifically regulated by law or agreement.

III. POLICY

It is the Policy of the TOWN to provide employees with a working environment that is free of the problems associated with the use and abuse of alcohol, marijuana, and controlled substances. The use of alcohol, marijuana, or controlled substances is inconsistent with the behavior expected of employees and subjects the TOWN to unacceptable risk of workplace accidents or other failures that would undermine the [Town/City's] ability to operate effectively and efficiently. Although certain uses of marijuana have been legalized in the Commonwealth of Massachusetts, this policy and the following procedures expressly apply to marijuana use.

IV. PROCEDURES

A. The following is prohibited:

1. Off-Duty: Any use, sale, possession, distribution, dispensation, manufacture, or transfer of controlled substances or marijuana, except, in the case of marijuana, where authorized by Massachusetts law.
2. On Duty: Any consumption of controlled substances, marijuana (with or without prescription) or alcohol, whether on or off TOWN property, or at any other worksite where employees may be assigned, or elsewhere during work hours.
3. The use of controlled substances or marijuana (with or without a prescription), or any use of alcohol on non-working time, to the extent that such use: (i) impairs an employee's ability to perform the employee's job; (ii) adversely impacts the safety of the employee or others; (iii) or affects the reputation of the TOWN to the general public or otherwise threatens its integrity.

Employees who are convicted of substance-related violations under state or federal law in the workplace, including alcohol or marijuana related violations, or who plead guilty or *nolo contendere* to such charges, must inform their department head or appointing authority within five (5) days of such conviction or plea. C. All employees must sign a statement acknowledging that they have been informed of the rules and requirements of the Drug-Free Workplace Act.

V. EMPLOYEE ASSISTANCE PROGRAM

The TOWN recognizes drug and alcohol dependency as an illness and a major public health problem. To that end, the TOWN encourages affected individuals to voluntarily seek medical help. Employees who wish to obtain help in dealing with such problems may contact the Town Manager's Office for a referral to the Town's Employee Assistance Program. The TOWN may independently refer an employee to the Employee Assistance Program or other substance use/abuse counseling agency or program for help, particularly where there is a pattern of deteriorating job performance or excessive absenteeism of the employee associated with substance use/abuse.

VI. SANCTIONS

Substance use/abuse, however, does not relieve an employee of job performance standards and obligations. Violations of any and all provisions of this Policy may result in disciplinary action, up to and including termination from employment.

ARTICLE XXXII**DURATION**

This agreement shall be effective as of July 1, 2025 and shall remain in full force and effect until June 30, 2028, and from year to year thereafter unless either party notifies the other party prior to ninety (90) days prior to the termination date, of its desire to terminate or modify this contract.
