Discussion

- **Dog Waste**-Chairman Cloutier said this is an issue and asked for recommendations from the Board on ways to get this bylaw enforced. Brian Croteau said Mr. Abare the Health Agent should speak with the Police Chief and see what can be done by the Dog Officer. Keith Kent proposed thinking about having the Town authorize training of some members of the Board and then have them volunteer to help the Town clean up the problem. Chairman Cloutier said the Board can do some more research and come back at a later meeting.
- **Recycling at the Transfer Station**-Chairman Cloutier discussed throwing garbage away in the recycling bins. Some rules and regulations need to be set up. If repeated violations there needs to be some recourse. Brian Croteau said you need rules. He said the Board should create some regulations and make sure they are legal and then put them into place. Three step system: warning, written fine and then suspension.

Lorenzo Sadonni came forward with questions concerning 16 Lakeview Drive well. He asked about perc test; break out wall purpose and well testing. Brian Croteau said yes to the perc test, breakout wall purpose is as a barrier and the well testing will be done every year for three years.
