Letters of Interest:

Due to the Failure to Elect at the last town election the Board is seeking a new member to fill one vacant seat. Two letters of interest were received. One from Monique Connor and one from Edward Bond. The Board asked each person to introduce themselves. Mrs. Connor stated she has over 30 years in the health care industry. She is has worked at Heywood Hospital and as an EMT for the town. She also has experience in the construction field and is familiar with many laws and regulations. She and her family are life long residents of the town. She is semi-retired and has been interested in the BOH for quite some time. She now has the time to dedicate to the Board. Mr. Bond explained he is a former member of the BOH and BOS. He was late in taking out his nomination papers, so had to submit a letter of interest. The Board will take the information under advisement, and will hold discussions at a later date to decide who to recommend to the BOS. A joint meeting with the BOS is scheduled for June 12th, where the new member will be appointed. Ms. Santos noted this appointment will only be for the remainder of the term, until the next town election.
