Discussion

Chairman Cloutier said at the Transfer Station on River Street he noticed a lot of garbage being thrown into the recycling bins. He asked for any suggestions from the Board to make the users aware of the issues. Brian Croteau said education first and then if that doesn't work let the Director of Public Works or Mr. Hickey the Town Manager deal with it. James Abare said education is the key. The town gets charged the trash fee if the recycling is rejected.

Chairman Cloutier said he received flyers from the Director of Public Works that outlines what is recyclable. Brian Croteau said then give the flyer to the Town Manager's office and ask them to put it on the town's Facebook page and the Town Website.
