Mr. Earl W. McQueston

In commemoration and celebration of his 99th Birthday in January 2021, and as Trustees of the Boston Post Cane, we do hereby present Mr. Earl McQueston with this distinguished honor as the oldest citizen of Winchendon and the recipient of the Boston Post Cane.

In following the New England tradition established in 1909 by Mr. Edwin A. Grozier, Publisher of the Boston Post newspaper, this 14-carat gold headed ebony cane is presented symbolically to the oldest citizen of Winchendon. It is our pleasure to recognize Mr. McQueston for his contributions to the community and wishing him well on this remarkable milestone.
