Mr. Kane called the meeting to order at 6:37 p.m.

1. Final Review of the Town Warrant.
 - A. Mr. Kane informed the Committee that the Special Town Meeting warrant Articles would be passed over because the School Department would be able to cover the costs of transportation.
 - B. There was discussion about the Town Manager's email notifying the Committee that he had not included all the revenue sources in estimating the water and sewer rates and that there is now no need to raise the rates. Mr. Maillet noted that this has no impact on the enterprise budget warrant articles.
 - C. Questions about the School Committee's Article 6 had already been answered.

Dr. Ward moved to adjourn the meeting at 6:40 p.m.. The motion was seconded by Mr. Guenther and unanimously approved.

Respectfully submitted,

Thomas Kane
