New Business:

Title V 196 Lakeview Drive: Paul Grasiewicz for the owner came forward. He had a site plan sketch and a water test was provided to the members. He read the letter from the water testing company. He said nitrate wasn't present at 196 Lakeview Drive. He requested the Board approve so the property can be conveyed. Edward Bond asked if the current set back is allowed. James Abare said if it is between fifty or one hundred feet the Board can grant it. The Board can put provisions requiring yearly testing. He recommended testing annually but not the full scan. Jason Gauthier suggested annual testing. Mr. Grasiewicz said 196 Lakeview Drive had no nitrate or ammonia. Jason Moury said he thinks the Board should approve but with testing for the next five years. **Jason Moury moved to approve with annual standard testing for the next five years and with results reported back to the Board of Health; Jason Gauthier seconded.**

CLOUTIER(Y) MOURY (Y) BOND(Y) GAUTHIER(Y)

Members Comments: Edward Bond asked Brian Croteau about the water pipes. Brian Croteau said they came back negative. The pipes are old he said he is seeing no signs of issues. Edward Bond said he is wondering if they should start looking at replacing the pipes. Mr. Croteau said maybe with federal grants in the future.
