Message:

Dear Mr. Hickey,

This is at 42 Spruce St. I am writing to let you know that I did get a licensed plumber Mr. Micah Bolduc to look at the water pipe which was broken in January. Mr. Bolduc did say he could see the pipe was replaced but he couldn't give me a statement as you mentioned over the phone because he was not the person who did the replacing job.

I will accept whatever decision your office will make on my case. Thank you (and the other people in the town hall as well) so much for your help.

Sincerely,
