## ANNUAL TOWN ELECTION POSTPONED: APPLY FOR EARLY VOTING NOW

Pursuant to Sec 1 of Ch 45 of the Acts of 2020 and because of the state of emergency declared by the governor pursuant to executive order 591, Declaration of a State of Emergency to Respond to COVID-19, the municipal town election scheduled for May 4, 2020 is hereby postponed. The new date has not been determined yet, but is expected to take place before June 30, 2020.

In an effort to protect voters and election workers from social contact, we encourage registered voters to apply for an early ballot to be mailed to them. The early ballot application can be found on the Town Clerk's page. - <https://www.townofwinchendon.com/town-clerk/pages/early-ballot-application>

Please print and complete the form and send to the Town Clerks office by mail, dropbox in front of Town Hall, or email to: [wstevens@townofwinchendon.com](mailto:wstevens@townofwinchendon.com). As soon as the ballots arrive at the Town Clerk's office, they will be mailed out to the Early Voting applicants.

## **Due Dates for Real Estate Taxes, Personal Property Taxes and Water and Sewer Bills Deferred**

Late last week the Massachusetts State Legislature passed municipal relief legislation. This legislation provides communities with the authority to defer due dates on property tax bills and waive interest on taxes due. To assist taxpayers during this challenging time, real estate and personal property taxes typically due on May 1st will now be due June 1st and the deadline to apply for exemptions on taxes has been extended from April 1st to June 1st. Additionally, interest and penalties will be waived on any property and excise tax, betterment assessment, water or sewer bill with a due date on or after March 10, 2020 if payment is made by June 30, 2020.

Hopefully extending the dates taxes are due and waiving interest will provide some relief to those impacted by the COVID-19 virus.

Stay safe and healthy.
