Hello Jill,

It is with my deepest apologies and regret that I will no longer be able to serve on the council. Between personal issues and endeavors, my location (Auburn, MA), and school commitments, I have absolutely very little time for myself. I am grateful and honored to have been a part of the team, but I have to now take care of myself or I will end up withering. I do realize the commitment is minimal, but I have to chop away at the small things in order to focus on the bigger picture.

In the future, if you are looking for any input or there are creative opportunities for my students, please feel free to reach out. I wish I could be of more help to you and the council, but for now, I am not.

Best Wishes,
Nicole
