Subject: Resignation

To whom it may concern,

It is with heavy heart and after much contemplation that I hereby resign from my appointment on the Winchendon Recreation Commission. Life has thrown me some curve balls over the last few years. With the exponential growth of activities sponsored by the commission, I am no longer able to keep up the physical and time requirements of my appointment. I have enjoyed my time serving the community over the years and wish the commission much success in the future with all of its endeavors. May the Town of Winchendon continue to attract more visitors and community involvement as it continues to complete the projects at the Community Park.

Sincerely,
Laura Gaydos
Former Chairperson of the Winchendon Recreation Commission
