Re: Entertainment Permit Application

After reviewing the application submitted to the Board of Selectmen requesting a 7 day entertainment license, I have made the following determination:

The occupant load for the restaurant was set based on the table/customer placement for safe egress in an emergency situation. Therefore, the performance area you will be using will be limited to no more than two performers at one time, including their equipment.

If this decision aggrieves you, please reach out to myself or the Fire Chief Tom Smith.

Sincerely,
