Good afternoon Linda !

I am reaching out to you in hopes that you would be willing to celebrate **Children's Mental Health Week** (May 1-7) by signing a proclamation and lighting Winchendon Town hall up green again this year.

This year's theme is **Action Changes Things**. You can find more information here:
<https://ppal.net/childrens-mental-health-week/>

I have attached the updated 2022 proclamation sample language for Children's Mental Health Week. I am happy to pick up the proclamation when it is ready. We are hoping you can share a copy of the proclamation on the town's website as well?

Please let me know if you have any questions, or need more information. Thank you in advance for your thoughtful assistance. We look forward to hearing from you.

Kind regards,

Ann
