Hi Linda,

I am sorry I missed your call, but we are still able to work from home. Regarding your question, the appointments to the MPO are still in effect so nothing needs to be done at this time. Barbara is still the main representative for Subregion 1. When a new designee is selected to replace Tracy all I will need is a simple email from the town with the new individuals' contact information.

Also, regarding appointments, I recently sent out forms related to the Montachusett Joint Transportation Committee (MJTC). The Select board has an opportunity to appoint a representative to the MJTC for the July 1, 2022 to June 30, 2023 year. Attached is the form sent previously. If possible, I would ask that when the Board has an opportunity to return the form with their representative before the end of June.

I will be out of the office on Friday June 10th but will be back on Monday so please feel free to contact me at your convenience.

Have a nice weekend.

Sincerely,

Brad Harris
