FY 2024 Community Development Fund Projects/Budget

Infrastructure Improvements	
Beech Street Infrastructure Improvement Project	<p>This project will include the first phase of infrastructure improvements on Beech Street, which are already fully designed. The first phase of improvements will include water main line relocation and sewer line repair. Drainage modifications will be included as a bid alternate should the budget leave room for this line item. It is anticipated that the remainder of the work for Beech Street will be applied for in future rounds of CDBG funding.</p> <p>Total Cost Not to Exceed: \$800,000</p>
Pioneer Valley Planning Commission	
Beech Street Delivery	<p>PVPC will complete all project management including procurement of both the project engineer and the first phase of construction, contract development and management, monitoring of Davis Bacon and MA prevailing wage laws, coordinate project meetings, maintain files, and all other related project tasks.</p> <p>Total Cost Not to Exceed: \$145,000</p>
Grant Administration	<p>The Pioneer Valley Planning Commission will provide all grant administration services.</p> <p>Total Cost Not to Exceed: \$145,000</p>

Total Budget Not to Exceed: \$950,000
