Dear Honorable Commission:

Please consider this request to amend the current order of Conditions at Ingleside Dr, DEP 345-0731, for the following:

1. Construction of 3 Disc Golf Tee pads within the buffer Zone\*
2. Placing of 3 Disc golf baskets within the buffer zone\*
3. Basic Fairways that will cross over the intermittent stream and the associated wetlands. Please note that there is no filling proposed, however, there will be some vegetation management. As the vast majority of vegetation is invasive. We will continually manage the invasives to keep them from spreading.

Thank you for your consideration in this important matter. We look forward to meeting with you.
