# THE ROLE OF ASSESSORS IN MUNICIPAL FINANCE

In Massachusetts, assessors are either appointed or elected to three-year terms. The assessors' primary responsibility is to value all real estate and personal property subject to taxation. Assessed valuations are based on "full and fair cash value" as of January 1st preceding each fiscal year.

In order to maintain assessments at or near market value, the assessors' regularly compare property valuations with the selling prices of properties that have sold. Based on their findings, the assessors make appropriate value adjustments to keep valuations in line with the market.

The most important role of the Board of Assessors is to generate equitable assessments. To that end, we continually strive to maintain an accurate property database and refine valuation tables and formulas that yield both equitable and explainable assessments.

Taxpayers are invited to ask questions about their assessments. A computer is available outside our office, enabling the public to review property records.

### PROPOSITION 2 1/2

Under Proposition 2 ½, Massachusetts' cities and towns are limited in the total property taxes that can be collected from one year to the next. Tax revenues cannot exceed 2 ½ percent of the prior year's allowable levy, with exceptions for revenue derived from new construction, and citizen override elections. Prop 2 ½ limitations do not extend to individual tax bills. Whether assessments increase or decrease, tax rates are adjusted annually to raise revenues required to fund local government operations.

#### **ABATEMENTS**

All taxpayers have the right to file for an abatement of their taxes if they believe that their property has not been valued fairly. Applications for abatements are due on or before the due date for payment of the 3<sup>rd</sup> quarter bill (February 3, 2024). Mailed applications must be postmarked no later than 2/3/2024.

Information regarding applications and deadlines to file for abatements is printed on tax bills or can be obtained by calling the Assessors' Office at 978-297-0155. Applicants should present compelling evidence to support a claim of overvaluation.

### STATUTORY EXEMPTIONS/DEFERRALS

An exemption releases an individual from the requirement to pay all or a part of their property tax obligation. Exemptions are available to those individuals that meet the various requirements in the following categories:

- Elderly
- Blind
- Minor children of police/firefighters killed in the line of duty
- Disabled Veteran
- Widows or Widowers
- Orphaned Minor Children
- Tax Deferrals for Elderly

Individuals who have received exemptions in the past are automatically sent their annual applications each July. Exemption applications are due within three months of the mailing date of the 3<sup>rd</sup> quarter bill (April 1, 2024). The Assessors advise applicants to file their forms by November 30<sup>th</sup> so that their exemptions can be credited against the 3<sup>rd</sup> quarter tax bill. Call or email our office to see if you qualify for an exemption.

If you are not satisfied with the action taken by the Board of Assessors office regarding your request for abatement or exemption, you have the right to appeal to the State Appellate Tax Board, 100 Cambridge St. Boston, MA 02204
