

Town of Winchendon
Fall Festival 2020
CRAFTER/NONPROFIT/DS/Local Businesses
Saturday October 10, 2020
10AM-4PM

Location

Winchendon Fall Festival will be taking place in the heart of Winchendon on Central St from Front Street to Maple Street. If you are using a GPS mapping service, please keep in mind that there may be some road closures and detours in the immediate area of the festival; please use Central St and Front St for your destination.

About the Festival

This will be the fourth year that the Winchendon Fall Festival has been located on Central Street. At past year's festivals, there have been over 200 crafters, vendors, and businesses set up along Central Street with over 8,000+ in attendance. Many craft vendors will be selling their handmade items. Not all vendors accept credit cards so it is best to bring cash to pay for your purchases, although there are some ATM machines along the festival route. There will be many children's activities including bouncy houses, pumpkin painting and face painting to name a few. There will be a variety of food available, a beer tent and local bands! We pride ourselves on this fun family event!

Parking

Parking is extremely limited in the neighborhoods surrounding the festival. Additional parking will be available at Winchendon Furniture, Co. CVS parking lot (at the corner of Maple and Central Streets) is for CVS customers only. Please be respectful. Vendors, please limit your cars to two (2).

Other Information

You will get an email before the event with all of the information you need about arrival, check-in, check-out, etc. You will receive your space assignment in this email as well. If you have not received your email by September 24th, please contact us. Event information will be displayed along the festival route for your convenience.

Portable Toilets will be available in a few locations as well.

Numerous trash receptacles will be available throughout the festival. Please properly dispose of your trash.

Alcoholic beverages are not allowed in public areas on the Street.

Pets are welcome at the festival but please be a responsible pet-owner and keep the festival area clean and keep pets on a leash! Some vendors have very fragile displays and items so we must ask that you keep pets out of a vendor's area unless they individually say it is ok.
