

Since 2014, the Town of Winchendon has had a Planet Aid Textile Collection Bin, which is located at the Winchendon Transfer Station at 653 River Street.

Planet Aid's mission is to inform, mobilize, and inspire individuals and communities to work together to bring about worldwide environmental and social progress.

We collect and recycle textiles to protect the environment, reduce waste, and increase the efficient use of vital resources.

Recycling and donating your clothes will keep them out of the trash and into the hands of someone who can give them a second life. Instead of separating your unwanted clothes, you can put everything in one bag and drop it off, no matter the condition. Clothes with holes, stains or tears are recycled and clothes in good condition are reused.
