Re: Update for Your Meeting of April 26, 2021

1. Transition to new Town Manager

Justin is set to begin on Monday, May 17, 2021. The tentative plan is for me to be here when Justin starts on the 17th, and brief him on all relevant issues that day. I would also be present and participate at the Town Meeting that evening, and would finish up at the close of the Town Meeting that evening. I would be available, as needed, beyond that date.

2. Veterans' Services

I will have an oral update for you at the meeting on April 26, 2021

3. Poland/Streeter Schools Renovation Project

We have received notice that the proposal for the renovation of the property into 44 units of veterans' housing will be before the Planning Board as a public hearing on Wednesday, April 28, 2021 at 7pm. The detailed plans are available for review via the planning office.
